**N<sup>2</sup> Women** is a discipline-specific community for researchers in the communications and networking research fields. The main goal of N<sup>2</sup> Women is to foster connections among women in computer networking and related research fields. N<sup>2</sup> Women allows women to connect with other women who share the same research interests,

who attend the same conferences, who face the same career hurdles, and who experience the same obstacles. N<sup>2</sup> Women is an **ACM SIGMOBILE** program that is supported by the **IEEE Communications Society**.
